EEG QUESTIONNAIRE

NAME _____ DOB _____

Please answer the following questions, Yes/ No

Do you smell things others don't smell?

Have you ever had any significant head trauma?

Do you have a history of concussions?

Do you ever have *Deja'Vu?

Do you ever have *Jama'Vu?

Do you have periods where you lose track of time?

Do you have episodes of anxiety for no reason?

Do you have vivid dreams?

Do you have *sleep paralysis?

Do you have uncontrollable body movements?

**Deja'Vu (from French, meaning "already dreamed") is the feeling of having already dreamed something that is currently being experienced.*

**Jama'Vu is French which literally means "never seen". The phrase itself means "the experience of being unfamiliar with a person or situation that is actually very familiar".*

**sleep paralysis, that occurs during sleep. when you cannot move or speak as you are waking up or falling asleep.*
